

13.8VDC 10A Power Supply TT-210B

AC-to-DC 12V 10A switching power supply unit designed with a metal cabinet, specifically for battery backup, commonly used in CCTV systems, access control, and alarm systems.

Specifications

Model No.	TT-210B
Dimension	338*308*83 mm
Weight	3.3kg
AC Supply	115/230 VAC
Output Voltage	13.8 VDC
Nominal current and power	10A / 120W
Charge current	1.8A
LED indicators	AC input/ DC output/ charge/ battery low voltage
Recommended Battery	2 x 7Ah
